This Month's Presentation

“Sco's Application Demo Part 2”

Presenter: M.L. “Sco” Scofield

In August, "Sco's Grab-bag of Miscellaneous Stuff" turned out to be a demonstration and code walkthrough of an application that he is working on for the United States Geographical Survey. After a brief demonstration of how the system worked, he went on a code walkthrough of the main part of the application, a rather involved query-by-form. Time ran out before he was able to go through the code for outputting the data to Word, Excel, and a text file. After a quick straw poll, it was evident that the people in attendance wanted to see the rest of the code. Sco committed to do another presentation and here it is! Always entertaining and informative, come join us this month for another one of Sco's excellent presentations.

Our presenter, Sco Scofield, is a Microsoft Access trainer and consultant in Denver, Colorado. He is an active member and the current President of our group. Sco is also a frequent speaker at our group. He has been using Access since version 1.0. Sco spends a large amount of his time as an instructor training all levels of Access from the introductory level all the way through advanced programming. He is a

"Microsoft Certified Solution Developer," a "Microsoft Certified Professional," and is A+ certified. Sco was awarded the prestigious "Microsoft MVP" award from 10/1/2001 through 10/31/2005 in recognition of the time that he spent helping Access users in the Access newsgroups on the Internet. See Sco's company profile on our DAAUG web site Consultants list at www.daaug.org/consultants.asp and on his web site at www.ScoBiz.com.

Short Demonstration

There will be no short presentation due to a change in this month's meeting format.

Next Month's Topic (November 15th, 2007)

“Build an Application From Scratch”

Presenter: Jim Pilcher

If you read your newsletter you will have noticed that this is the same “Next Month's Topic” as in September. Jim's presentation has been rescheduled for next month.

If **you** are interested in presenting to the group, please contact Danny Lesandrini at vicepresident@daaug.org.

A Message from the Editor

“Presentations and Presenters”

We are always looking for speakers and topic ideas for our monthly meetings. To volunteer to be a speaker or to suggest a topic, see our Vice President, Danny Lesandrini (vicepresident@daaug.org) or President, Sco Scofield (president@daaug.org). You may also email one of them with "**DAAUG Speaker**" or "**DAAUG Topic**" in the subject line of your message.

This is your group and we need your support. You don't have to be a professional speaker to give a presentation. Your presentation can be about anything that's Microsoft Access related.

We are always looking for articles for our monthly newsletter. Send your articles to Communications@daaug.org with "DAAUG Article" in the subject line.

Please visit www.DAAUG.org for the latest news, consultant lists, officer email addresses and more.

This newsletter is being sent to everyone on the DAAUG mailing list, including members, past members, and people that have been associated with the group. If you are a non-member and wish to be removed from our list, please send an email to Communications@daaug.org with "REMOVE" in the subject line.
