6:30 PM to approx. 9:00 PM - Main Meeting

Location: **Microsoft USA - Rocky Mountain District**  
7595 Technology Way  
Suite 400 (4th Floor)  
Denver, CO 80237  
([driving directions](#))

DAAUG Website: [www.DAAUG.org](http://www.DAAUG.org)

## This Month's Presentation

**“What is SQL Server and What is new in SQL 2008”**

**Presenter: Kevin Cox, Microsoft**  
**Principle Program Manager**  
**SQL Server Product Group**  
**Customer Advisory Team**

Kevin will give a brief overview of what comes in the package with SQL Server. Then he will dive into What's new in SQL 2008.

Our presenter, Kevin Cox, Microsoft, has been working in the database field for over 30 years, of which the last 20 with SQL Server. He is currently a member of the Microsoft SQL Server product group in the Customer Advisory Team. In this job, Kevin feels very lucky to be able to work on the largest database projects in the world.

## Short Demonstration

There will be one presentation this month.

## **Next Month's Topic (August 23<sup>rd</sup>, 2008)**

### **“Rapid Prototyping with Access”**

Presenter: Kevin Bell

If **you** are interested in presenting to the group, please contact Louie Walker, Jr. at [daaugVicePresident@daaug.org](mailto:daaugVicePresident@daaug.org).

## **New and Renewing Members**

Lindsay Wert  
Alan Shrater

## **Last Months Prize Drawing Winners**

\$20 Soft Pro Certificate - Mark Evans  
Reading Light - Bruce Handley  
Vista Note Pad - Sco  
MS Note Pad - Mike Nindorf  
Leading Geeks book - Kevin Bell  
Beginning Access 2007 VBA - Christian Dismuke

## **Denver Visual Studio User Group**

*As a service to our sister group...*

Monday, July, 28<sup>th</sup> 2008 – 5:30 PM to 9:00 PM

Visual Studio -- ‘Get into Programming’ plus  
IDE Tips and Tricks for ALL!with

Presenter: Rod Stephens, Visual Basic MVP, Author, Speaker, Consultant

Rod Stephens, Visual Basic MVP, will help you ‘Get into Programming’ through a quick introduction to Visual Studio 2008. He'll demonstrate how you can build forms that display information and that use controls to allow your user to interact with your application. He'll explain how you can use properties to control your program's appearance and behavior. He'll show you how you can use events to let your program respond as your user clicks buttons, selects menu items, and otherwise fiddles with your program. For a grand finale, Rod will show you how to build a complete database program in 30 seconds! Plus, he'll give a quick show-and-tell showcasing some of the remarkable things you can do with Visual Studio.

This talk does not require previous programming experience and beginners should get a decent head start at moving into Visual Basic or C# programming. For those of you who have some experience with VBA, VBScript, Visual Basic "Classic," or some other language, you will be able to concentrate more on the amazingly powerful Visual Studio integrated development environment (IDE) and how you can achieve particular tasks with this remarkable developer tool.

For our complete agenda and e-mail, join the Denver Visual Studio Users Group™ at [www.DenverVisualStudio.net](http://www.DenverVisualStudio.net).

## Member to Member

Do you have something that might be of interest to other DAAUG members? Have a service? Something to sell? Looking for something? Then this section is for you. And no, it **doesn't** need to be computer or Microsoft Access related. Send your listings to [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with "DAAUG: Member to Member" in the subject line.

## Access classes by M.L. "Sco" Scofield

Check out our online schedule at <http://www.scobiz.com/ClassSchedule.asp>. We offer classes at all levels from beginning to advanced. To find the right class for you, check out our web site, call Sco at 303-757-7768, or send an email to [Training@ScoBiz.com](mailto:Training@ScoBiz.com).

Be sure to ask for the special DAAUG member discount.

## Linx Consulting, Inc. would like to help your organization

[Linx Consulting, Inc.](http://www.linxco-inc.com) offers database application development for organizations, large and small. Linx Consulting, Inc. develops applications using MS Access 2000-2007, SQL Server 97-2005, PostgreSQL 8.x, VB.Net 2003-2005, Crystal Reports and other technologies with a focus on database applications that use MS Access as the user front-end and MS Jet or a server database engine as the back end.

For more information on how we may serve you, please call Patrick Headley at (303) 916-5522 or visit our Website at [www.linxco-inc.com](http://www.linxco-inc.com). The entire Website contains examples of what we can do for your database application or Website. Each click on the sample link displays a different sample. Please take a look.

# A Message from the Editor

## “Presentations and Presenters”

Do you follow events or news that is relevant to Microsoft Access users and developers? If so, email [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with information regarding the topic. A member of the DAAUG Board of Directors will review the information and, if it is determined to be of value to the group your information may show up in the newsletter or we will make an announcement at the main meeting.

We are always looking for speakers and topic ideas for our monthly meetings. To volunteer to be a speaker or to suggest a topic, see our Vice President, Louie Walker, Jr. ([daaugVicePresident@daaug.org](mailto:daaugVicePresident@daaug.org)) or President, Jim Pilcher ([daaugPresident@daaug.org](mailto:daaugPresident@daaug.org)). You may also email one of them with "DAAUG Speaker" or "DAAUG Topic" in the subject line of your message.

This is your group and we need your support. You don't have to be a professional speaker to give a presentation. Your presentation can be about anything that's Microsoft Access related.

We are always looking for articles for our monthly newsletter. Send your articles or article ideas to [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with "DAAUG Article" in the subject line.

Please visit [www.DAAUG.org](http://www.DAAUG.org) for the latest news, consultant lists, officer email addresses and more.

This newsletter is being sent to everyone on the DAAUG mailing list, including members, past members, and people that have been associated with the group. If you are a non-member and wish to be removed from our list, please send an email to [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with "REMOVE" in the subject line.

The email address that this message was sent from is not monitored. If you wish to send a board member an email, please click the appropriate link above.
