## A Message from the Editor

### “Presentations and Presenters”

Do you follow events or news that is relevant to Microsoft Access users and developers? If so, email [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with information regarding the topic. A member of the DAAUG Board of Directors will review the information and, if it is determined to be of value to the group your information may show up in the newsletter or we will make an announcement at the main meeting.

We are always looking for speakers and topic ideas for our monthly meetings. To volunteer to be a speaker or to suggest a topic, see our Vice President, David Nealey ([daaugVicePresident@daaug.org](mailto:daaugVicePresident@daaug.org)). You may also email him with "**DAAUG Speaker**" or "**DAAUG Topic**" in the subject line of your message.

This is your group and we need your support. You don't have to be a professional speaker to give a presentation. Your presentation can be about anything that's Microsoft Access related. You can make the main presentation or give a short one about an application that you are working.

We are always looking for articles for our monthly newsletter. Send your articles or article ideas to [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with "DAAUG Article" in the subject line.

Please visit [www.DAAUG.org](http://www.DAAUG.org) for the latest news, consultant lists, officer email addresses and more.

This newsletter is being sent to everyone on the DAAUG mailing list, including members, past members, and people that have been associated with the group. If you are a non-member and wish to be removed from our email list, please send an email to [daaugCommunications@daaug.org](mailto:daaugCommunications@daaug.org) with "REMOVE" in the subject line.

Please do not "reply-to" this e-mail. If you wish to send a board member an email, please click the appropriate link above. Please put "...DAAUG..." in the subject line.
