7595 Technology Way
Suite 400 (4th Floor)
Denver, CO 80237
([driving directions](#))

DAAUG Website: www.DAAUG.org

Special Announcement

We thank David Nealey for his service as Vice President this year, and welcome Jim Pilcher to the Board as David's replacement, effective as of this past June.

This Month's Main Presentation

“Create a Winning Application”

Patrick Headley has created a drawing application that we use at the DAAUG meetings. Patrick's presentation will begin with an overview of the features of the application. He will then answer your most asked question; how does the application make random selections of prize winners. After that, Patrick will go into some of the more interesting programming details of the application, such as Relationships, form Open events, and error handling and logging. If time permits we will cover other parts of the application that you are interested in.

This Month's Short Presentation

There will be no Short Presentation this month.

Next Month's Topic

Title: Tips and Tricks Inspired by Student Questions

Presenter: M.L. "Sco" Scofield

If **you** are interested in presenting to the group, please contact our Vice President at daaugVicepresident@daaug.org.

Windows Small Business Server Users Group

Next meeting:

Wednesday, July 8th, 2009 3:00-5:00 PM
Location: Microsoft, Desert Mountain (Denver)
Contact: <http://www.winsbsug.com/>

Member to Member

Do you have something that might be of interest to other DAAUG members? Have a service? Something to sell? Looking for something? Then this section is for you. And no, it **doesn't** need to be computer or Microsoft Access related. Send your listings to daaugCommunications@daaug.org with "DAAUG: Member to Member" in the subject line.

Linx Consulting, Inc. would like to help you

[Linx Consulting, Inc.](#) offers database application development for organizations, large and small. Linx Consulting, Inc. develops applications using MS Access 2000-2007, SQL Server 97-2005, PostgreSQL 8.x, VB.Net 2003-2005, Crystal Reports and other technologies with a focus on database applications that use MS Access as the user front-end and MS Jet or a server database engine as the back end.

For more information on how we may serve you, please call Patrick Headley at (303) 916-5522 or visit our Website at www.linxco-inc.com. The entire Website contains examples of what we can do for your database application or Website. Each click on the sample link displays a different sample. Please take a look.

Access classes by M.L. "Sco" Scofield

Check out our online schedule at <http://www.scobiz.com/ClassSchedule.asp>. We offer classes at all levels from beginning to advanced. To find the right class for you, check out our web site, call Sco at 303-757-7768, or send an email to Training@ScoBiz.com.

Be sure to ask for the special DAAUG member discount.

Please note:

There are a limited number of seats available in my following classes:
Access 2003 Introduction (L1) - July 6th and 7th - Regular \$470

Access 2003 Intermediate (L2) - July 9th and 10th - Regular \$470
Access 2003 Introduction (L1) - July 13th and 14th - Regular \$470

Access 2003 Advanced (L3) - July 15th, 16th, and 17th - Regular \$750.
The normal discount DAAUG is 10%. For these classes only, you can add a second 10% bringing your total discount to 20%. These seats are limited and on a "first-come" basis. Call 303-757-7768 to check for availability and to register.

A Message from the Editor

“Presentations and Presenters”

Do you follow events or news that is relevant to Microsoft Access users and developers? If so, email daaugCommunications@daaug.org with information regarding the topic. A member of the DAAUG Board of Directors will review the information and, if it is determined to be of value to the group your information may show up in the newsletter or we will make an announcement at the main meeting.

We are always looking for speakers and topic ideas for our monthly meetings. To volunteer to be a speaker or to suggest a topic, see or e-mail our Vice President (daaugVicePresident@daaug.org). Please include "DAAUG Speaker" or "DAAUG Topic" in the subject line of your message.

This is your group and we need your support. You don't have to be a professional speaker to give a presentation. Your presentation can be about anything that's Microsoft Access related. You can make the main presentation or give a short one about an application that you are working.

We are always looking for articles for our monthly newsletter. Send your articles or article ideas to daaugCommunications@daaug.org with "DAAUG Article" in the subject line.

Please visit www.DAAUG.org for the latest news, consultant lists, officer email addresses and more.

Other information:

This newsletter is being sent to everyone on the DAAUG mailing list, including members, past members, and people that have been associated with the group. If you are a non-member and wish to be removed from our email list, please send an email to daaugCommunications@daaug.org with "REMOVE" in the subject line.

Please do not "reply-to" this e-mail. If you wish to send a board member an email, please click the appropriate link above.
